

Name the Note Game (Challenge page!)

Use the notes from the scale in the middle of the page to fill in the blanks in each of these tunes. Notes that have ties (curve between two notes) only have one blank because the tied notes have the same name.

He Restores My Soul

The LORD is my shep - herd; I shall not be in want
 He makes me like down. In green pas -
 tures. He leads me be - side qui - et wa - ters.

In "He Restores My Soul" there is an unusual note - all "B" notes above have been made flat (Bb - the little "b" means flat). A note that is purposely made flat is a half tone below the natural note.

Both He "Restores My Soul" and "Hidden Your Word" are in the Key of C which has no sharps or flats. The first four notes given below are to help you fill in the blanks above. The key of C begins and ends on C. Can you see where the scale begins and ends?
