

Thank You for Sharing

Words and music
Karen D. Langdon

(Verse 1)

Not so long ago
I was so small, didn't know much at all.
Then you came into my life.
You've always been there with your help and your care.
You have taught me Jesus' way,
And now it is time I must say:

(Chorus)

Thank you for sharing your life with me:
For all that you do,
For all that you give.
Thank you for sharing your life for Him.
You show me that it is for Him you live!

(Verse 2)

Tell me, did you know
That right from the start you touched my heart?
I'm better than before
Because of your love, and oh, so much more.
You're the one who's making me
The person God wants me to be.

(Chorus)

(Bridge)

I am only guessing
I would not be the same
If you had not been blessing
My life in Jesus' name!

(Chorus)

(Tag)

You show me that it is for Him you live!
