**MUSICAL INTRO** (Clap hands throughout the musical introduction.)

### **CHORUS**

**Clap your hands all you nations** (Clap hands to the music through *Clap your hands*; put left hand in front of the body, open and palm down, and have right hand above in a fist with the index and middle fingers extended – make a circle above with those fingers, and then put them on the back of the left wrist for *all you nations*.)

**Shout to God with cries of joy** (Cup hands around mouth and point face up for *Shout to God*; face both palms toward the chest with fingers together and thumbs up - place hands on either side of the body, pointing fingers toward each other – move hands up twice for *with cries of joy*.)

**How awesome is the LORD Most High** (Put hands at ear level, palms out and fingers spread – push slightly up and out twice for *How awesome is*; make the thumb and forefinger “L” with the right hand, and cross from the left shoulder to the right hip (like a banner) for *the LORD*; make fists with both hands, extending index fingers – point up with both index fingers for *Most High*.)

**The great King over all the earth** (Pump right fist in the air for *The Great King over*; swing arms up, around and down, making a large circle for *all the earth*.)

**SMALL MUSICAL INTERLUDE** (Snap fingers to music.)

### **VERSE**

**Sing to Him a song of praise** (Slightly curve left arm with palm up – with fingers of the right hand together, pass them over the left arm with a sweep toward and away from the body for *Sing to Him a song*; raise hands high in the air for *of praise*.)

**Let your hallelujahs raise** (Clap open hands once and make fists with both hands, extending curved index fingers – make small circular motions with the hands twice, wiggling fingers and raising both open hands in the air.)
